# BEST-IN-STATE WEALTH ADVISORS

**WE ARE PLEASED TO ANNOUNCE THAT FOR THE  
THIRD YEAR IN A ROW  
MICHAEL SADOFF AND BRYAN SADOFF  
WERE EACH NAMED TO FORBES TOP 10 FINANCIAL ADVISORS  
IN THE 2021 BEST-IN-STATE WEALTH ADVISORS LIST.**

The Forbes ranking of Best-In-State Wealth Advisors, developed by SHOOK Research, is based on an algorithm of qualitative criteria, mostly gained through telephone, zoom and in-person due diligence interviews, and quantitative data. Those advisors that are considered have a minimum of seven years' experience, and the algorithm weights factors like revenue trends, assets under management, compliance records, industry experience and those that encompass best practices in their practices and approach to working with clients. Portfolio performance is not a criteria due to varying client objectives and lack of audited data. Neither Forbes nor SHOOK receive a fee in exchange for rankings.

The firm applied for the award and not all advisors applied. The firm did not pay any fees to participate. The award was independently granted. The firm did not have to be a part of any organization to be eligible for the award.
